

REPORT ON REVIEW OF PRELIMINARY FINANCIAL INFORMATION

To the Members of Gold Fields Limited

Introduction

We have reviewed the condensed consolidated preliminary balance sheet of Gold Fields Limited as of 30 June 2009 and the related condensed consolidated preliminary statements of income, changes in equity and cash flows for the year then ended. The company's directors are responsible for the preparation and presentation of this preliminary financial information in accordance with the requirements of Section 8.57 of the JSE Limited Listings Requirements. Our responsibility is to express a conclusion on this preliminary financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying preliminary financial information is not prepared, in all material respects, in accordance with the requirements of Section 8.57 of the JSE Limited Listings Requirements.
